

Subject : TEGA COVID-19 POLICY

We are following the guidelines as laid out by the State of Ohio Health Department plus other protocols to keep the gym clean and your family safe. We sanitize all equipment & surfaces before and after each class. All door handles, bathroom faucets, towel dispensers, toilets, sink tops & other surfaces are sanitized every 15 - 20 minutes while classes are in session.

We ask that you read this list and go over any pertinent items with your child so they know what to expect when coming to the gym.

- ◆ Please pull up to the door to drop your child off.. There will be a coach at the door to help them get to their class.
- ◆ Anyone entering the building will have their temperature taken. If it is above 99 degrees then they will not be able to stay.
- ◆ We ask that parents not come into the gym unless you are doing a class with your child or if you have business with the Front Office. We ask that parents wear a mask if they come into the gym & practice social distancing while in the building. Children are not required to wear masks because it can be a safety hazard during class.
- ◆ Students will follow the "Xs" or "dots" on the floor to the place where they can leave shoes etc.
- ◆ From there they will proceed to an "X" or "dot" on the blue floor and sit until class starts.
- ◆ Social distancing is a priority! Classes have been designed to be able to keep social distancing protocols in place while doing gymnastics. Any child that cannot follow the coaching staff's instructions regarding social distancing will be removed from class.
- ◆ The water fountain has been covered so please send your child with a water bottle (NO glass). They will carry them throughout class. DO NOT SHARE YOUR WATER BOTTLE.
- ◆ Only 1 person is allowed in a bathroom at a time. Let your coach know that you need to go to the bathroom. Knock on the door to make sure no one is in the bathroom before entering. Wash your hands before leaving and returning to class.
- ◆ There are hand sanitizers placed all throughout the gym. Coaching staff will show your child where they are and tell them when to use it.
- ◆ Your child will be escorted to the door for pickup.
- ◆ Please make sure your athlete has all of her personal belongings when leaving the facility. All items left in the facility will be disposed of at the end of the night.

Sincerely,

Jose Velez
